A LOOK INTO OUR LIVES OVERSEAS

2020 Vol 4

## DISTANCE EVERYTHING

Just like everywhere else across the world we are adjusting to distancing in all areas of our lives. We stay 6 feet apart, and join in for live streams. School is back in session but distant learning is the new normal. Like many of you we have come to the realization this is now what life looks like. Even now, as we wait in the States for the borders to open, we have decided to make the most of our time here, and the distant learning. Heather and I are taking more online Spanish classes once a week.

The kids have been back in Spanish for about 3 weeks also. Their days are somewhat back a good routine, school, via online, then Spanish for an hour in the afternoon. School and learning, being constant and for the most part unchanging, have helped keep them grounded. Although we were not expecting to be back so soon, we are blessed with the time to be with family. We have been splitting our time between our two families as we wait for the borders of Colombia to open. Please pray as we continue to wait.

**"Wait for the Lord; be strong,  
and let your heart take courage; wait for the Lord!"**

- Psalm 27:14

## **Making the Best of Everything.**

Spending time with family doesn't mean you don't take time to serve. They were able to help their Oma and Pa with making sandwiches for their church's Sidewalk Sunday School Outreach. The Mattocks MK's helped make 40 sandwiches.

Our MK's were also able to serve along side their cousins. They helped at a "Make a Wish" golf cart/ car wash fundraiser. They washed cars and carts for 2 hours with out complaining.

*Opening*  
**SOON**

We have received word that the as of September 21, the immigration's office for Colombia will be reopening. We don't know when we will be able to head to Colombia, but the doors are starting to open. Please continue to **pray** for the process to go smoothly. **Pray** that we will be able to get all of our paperwork together and it will be accepted. **Pray** that we will be able to make the necessary appointments with the Consulate. God is moving and we are so excited to finally get where He has called us.
